JUDGING CRITERIA FOR DANCE IN HIGH KICK DIVISION

Judges observe the routines and award points on a 100-point scale. Judging criteria are subdivided into four categories. The three categories of criteria common also to the High Kick Division are: 1) Presentation; 2) Execution; and 3) Choreography. The fourth category, unique to the Jazz Division, requires judges to look for rotation timing and completion, posture, difficulty of skills, and flexibility movement.

FULL TEAM ROSTER
